CHARTERED 1956 - 52 YEARS OF SERVICE TO COUNTRY

EDITOR: JIM CULLISON

### President's Perspective by Terry Tassin

Let me be the first to welcome back everyone from our three month summer break. I hope you enjoyed your break. I know I did except for the heat. But now it's back to work, and I have several items I would like to cover.

**Arizona Broadway Theatre outing.** You can read about our July 12 Chapter outing to the Arizona Broadway Theatre elsewhere in this *Sentinel*. However, Marie Fredricks is to be congratulated again for her excellent efforts in putting together this great event. I really enjoyed *The Music Man*, and I believe our 37 other members and guests in attendance also had a good time. I just wish more of you had been able to participate.

**Chapter Meritorious Service Award nominations.** It is once more time for each of us to consider nominating deserving Arizona Chapter members for Meritorious Service Awards (MSA). Please review what each member has contributed to the chapter in the past year and if you have someone you think is deserving of an

MSA, please submit his or her name to the MSA committee.

Read more about this program on the next page.

**Our September 20 luncheon meeting** will be something special. Our Chapter has been honored with selection to serve as the host for the Arizona Committee for Employer Support of the Guard and Reserve (ESGR) Awards Luncheon. Every year the ESGR honors selected employers for their support of the troops who are called to duty. This should be an interesting event and I hope many of you will be able to attend.

**And a final word about meetings:** Just a heads-up that our November 15 meeting location has been changed, so please make a note of this on your calendars. Because of a scheduling conflict at McCormick Ranch Golf Club we needed to find a different location for the November luncheon. Many of us have been talking in the past about having at least one different kind of luncheon, something that would get us out of the club house and out into the open air.

This scheduling conflict gives us the opportunity for this to take place during one of the nicest months of the year in the Valley. Our November 15 luncheon will take the form of a picnic at Desert Breeze Park in Chandler. It is a little farther south than we are used to meeting. However, this was the only nice park where we could get reserved facilities. All the other closer parks we considered were already booked.

Right now we have a Ramada reserved for November 15 from 11 a.m. until 2 p.m. This will be a catered buffet meal. There are horseshoe pits and Ron Perkins has

### Editor's Note

As I take over Sentinel editor duties from Terry Tassin, I'd like to thank Terry on behalf of the Chapter for his dedication and talent in making the *Sentinel* a valuable communication resource and an award-winning publication. He's a tough act to follow, but I'll do my best.

**Our Chapter continues** its tradition of excellence with the notification I received from National MOAA. It stated that the Arizona Chapter had been selected for the 4th consecutive year as a recipient of the 5 Star Levels of Excellence Award. This award reflects the exceptional performance of our Chapter in promoting the Arizona Chapter and National MOAA goals, and our active involvement in the community. The special "5 Star Streamer" will be presented to us later. I offer a hearty "Bravo Zulu" (Well Done) to all those members of our Chapter who made this award possible.

With the return of monthly meetings, I look forward to seeing you all on September 20.

**MSA Nominations Wanted**

*By Ron Drew*

Our outstanding Chapter members deserve recognition. A good way to do that is to submit a name for a Meritorious Service Award.

If you submit a nominee, if necessary, we will help you draft the citation to accompany the award. Just submit your nomination to one of the Rons — Drew, Green or Worthington.

Remember, you can name a member, spouse or auxiliary member for this award. The committee would like to get the nominees' names as soon as possible so we can complete the task by late September or early October for the presentations at the November meeting. The committee needs your input ASAP so we can get started.

**Help Your Chapter!!**

The Nominating Committee for 2009 Chapter Officers has found volunteers to fill almost all the officer positions — except one. We still need a volunteer to run for Secretary. Also, we would like another volunteer to assist Treasurer Bill Johnson.

This is an opportunity to become involved in Chapter activities and help plan the future direction of our organization. If interested in either position, please contact Ron Perkins; 480-961-8632 or [rbperkins@cox.net](mailto:rbperkins@cox.net).

**July Theatre Outing Recap**

*by Marie Fredricks*

On July 12 our Arizona Chapter sponsored the second annual outing to the Arizona Broadway Theatre, where 38 members, family and friends enjoyed an upbeat performance of *The Music Man*. Everyone had good seats in a beautiful setting for this fine afternoon.

For those who missed it — and for everyone who attended — watch for news on next year's outing so you can plan to attend. If members would like to do this again next July, the performance scheduled then is "*Bye Bye Birdie*."

## September Luncheon Special Event: **ESGR Civilian Employer Awards**

This month, our Chapter will host members of the Arizona Employer Support for the Guard and Reserve Committee and our special guests, selected civilian employers of National Guard or Reserve Component military members. Chapter President Terry Tassin and the Arizona Chairman for ESGR, Scott Essex, will present awards to employers who have been nominated by their currently serving National Guard or Reserve Component member employees.

The ESGR is a Department of Defense agency whose mission is to gain and maintain employer support for Guard and Reserve service by recognizing outstanding support and increasing awareness of the law.

The awardees include the Maricopa County Sheriff's Office; Intel Corp., Cox Communication, Bank of America, Arizona Department of Economic Security and Arizona Department of Water Resources. Recipients will be accompanied by the service members who submitted the nomination for the "Patriot" award and for the "Above and Beyond" awards.

Civilian employers play a critical role in the nation's defense by complying with employment laws and protecting the rights of workers who serve in Reserve components. Without employers the Guard and Reserves could not exist. The nation's Reserve components comprise about 48 percent of our total available military manpower. Today, 92,000 Guard and Reserve soldiers, sailors, marines and airmen serve side by side with their active duty brethren. These G/R members are neighbors, folks we see everyday, in sales or service, blue collar, white collar, first-responder -- caring patriots. Ultimately, these men and women represent a crucial element of our national defense. And it is their civilian employers who enable them to serve in our Reserves and National Guard.

As patriots in our own right, let's support Guard and Reserve members by supporting their employers and the ESGR Committee on September 20.

Just let Marie Fredricks know if you would like to volunteer!

## Scholarship Awards

*By Ron Worthington*

The Arizona Chapter MOAA awards scholarships each year to several graduating JROTC cadets from applicants from 17 competing high schools. With these scholarships, we hope to further the education of students who have maintained a scholastic position in the upper half of his or her class and who demonstrate qualities of leadership, good moral character and concern for his or her fellow men and women through service to others.

This year, the Scholarship Committee received applications from 10 extremely well qualified cadets. Using a matrix of five attributes including grade point average and extracurricular activities, the Committee graded the 10 individuals and chose the four best qualified to receive \$1,000 cash scholarships.

The scholarships were awarded at the May Chapter luncheon meeting to the following recipients:

**Cadet Jonathan Porter** of Sandra Day O'Conner High School is a member of the National Honor Society and an Eagle Scout. He will use his scholarship to defray startup costs at the U.S. Merchant Marine Academy.

**Cadet Tyler Skomp** of Central High School was Class Valedictorian and an AP scholar. He will apply his scholarship toward initial uniform costs at the U.S. Military Academy.

**Cadet Alexandra Sanchez** of Cortez High School was Cadet Commanding Officer and attended Glendale Community College while finishing high school. She will attend Arizona State University majoring in Social Work.

**Cadet Craig Brewster** of Cactus High School was Cadet Commander and active in the JROTC flight training program. He will attend Northern Arizona University.

The Arizona Chapter is pleased to help these fine cadets further their education, and we wish them the best in the future.

### JROTC Medal Awards 2008

*by Terry Tassin*

I wish to thank each of our chapter's award presenters for their efforts in presenting JROTC certificates and medals to the 17 high schools on behalf of the Arizona Chapter of the Military Officers Association of America before we went on summer break. Extra thanks go to those presenters who represented not only MOAA but also the Sun Cities Chapter of MOWW through the presentation of their awards.

The following letter of appreciation was received in July from Cadet Jonathan Porter of the Sandra Day O'Connor High School AFJROTC Unit. *"Dear Col Dale, I know I thanked you at the scholarship awards ceremony, but I just wanted to let you know how much I appreciated the extra \$20 you gave me for books in college. It meant a lot to me. I also would like to thank you for the wonderful example you set for my AFJROTC unit as you presented your medal awards at the Sandra Day O'Connor High School awards night. Thank you again. Cadet Jonathan Porter, Sandra Day O'Connor High School AFJROTC Unit"*

## Legislative Update

by Gary Fredricks, Legislative Chair

Welcome back from our summer break. I hope you enjoyed the time as much as we have. As we speak, legislative activity at the state level is pretty much over for the year, whereas the federal level is still a work in progress.

**The Arizona state legislature** adjourned for the year on June 27. They and the Governor managed to deal with revenue shortfalls to both the FY2008 and FY2009 budgets without adversely affecting veterans, as we had requested. The only veterans-related bill we were watching that did not pass was SB1169, which would have made some technical changes to the Military Family Relief Fund law. It came close enough to making it through that I believe it will be revived and passed next year.

Although not technically a legislative action, we did have a significant related event over the summer. Our own chapter member Gregg Maxon retired as Director, Arizona Department of Veterans Services, and a new director was appointed by the Governor. We congratulate Gregg on a job well done and look forward to continuing to work closely with him, only this time at the chapter level. The newly appointed Director of Arizona Veterans Services is Col. Joey Strickland, a retired Army veteran with over 29 years of active service. Although he has family ties in Arizona, he comes to us from Louisiana, where he held high level positions in that state's Veterans Services Department. While there he was, among other things, responsible for establishing four new state veterans' homes and a new military cemetery. He is a very dynamic gentleman, and I also look forward to working with him.

**The federal legislature** is due to return from their August summer break on September 8, with the House of Representatives well ahead of the Senate in taking action on major bills as usual. Among the major bills still in process are the FY2009 Defense Authorization Bill and the FY2009 Military Construction-VA Funding Bill. We will be reporting on these bills over the coming months.

**For now**, I would like to note how important each of us is to the effort. MOAA reports that so far this year almost 277,000 messages have been sent to Congress on a variety of issues through MOAA's web site. This is why we are able to have success on Capitol Hill.

Among the issues still out there, mostly associated with the Defense Authorization Bill, that we will be asked to lend our voices to are eliminating the offset of retired pay by VA disability compensation, ending unfair deductions in benefits for survivors of disabled service members, improving retirement benefits for the Guard and Reserve, securing career enhancement support for spouses, improving PCS payments, and avoiding disproportionate TRICARE fee hikes for retirees under age 65.

## Personal Affairs

by Dan Conway, Personal Affairs Officer

## As I See It

I see three principal responsibilities as your Personal Affairs Representative. The first is to keep current on Veteran benefits and to keep our membership informed as well. The second is to encourage our members to keep their military and personal affairs current so that in the event of death or disability of a member or spouse, our families will know what to do. The third is to provide individual assistance to members and spouses in time of need. Please consider me a resource in these areas. My phone is 480-368-1427.

**Relative to the first item,** I have been asked to get out the word that Dependent Spouses are eligible for care at the Arizona Veterans home. While there has been some negative publicity about this facility, those who are familiar with the home are all in agreement that it is among the best, if not the best, long term care facility in the area. We hope that none of you are in need of such care, but if the time comes, please check it out.

**Relative to the second item,** I recently updated my survivor information after 5 years. When realizing all the changes required, I determined that 5 years is too long. If you haven't done this, make sure that you request the MOAA publication "Help Your Survivors Now." Just call MOAA at 1-800-234-6622. Have your Membership Number ready, and the publication will soon be on the way.

Also relative to the second item, I ask each of you to check your dependent's Military ID card. I hope that you won't be as surprised as I recently was to find that it had expired. We got it renewed in time to avoid any interruption in benefits. It took over two hours at Luke without an appointment. For an appointment, call 623-856-8970.

**Relative to the third item,** please consider me as a resource and don't hesitate to call with your questions and concerns.

## TOPS Tips

by Chuck Schluter, TOPS Chair

Earlier this year, MOAA National asked all MOAA members, "are you willing to be a Network Point of Contact." Kelly Galvin (Capt USA, Green Valley) decided to build a special website for MOAA TOPS. The intent was to provide local networking contacts for MOAA members and families in career transition. A second goal was to strengthen Chapter/Council programs by introducing potential new members to local Chapters, and lastly, to strengthen ties with employers and community leaders to showcase the added value of hiring a veteran.

Kelly felt that MOAA provides a wealth of information, services, and resources for job seekers. And, he felt that the service was even better with a State Networking Program. He built a website, <http://moaatopsaz.org>, as a focused portal for Arizona job listings and networker contacts. New Arizona Chapter member LTC Scott Westley (USA Ret) has volunteered to lend Kelly a hand.

Today, the Arizona TOPS Network has nearly 40 business and industry executives and other professionals who will routinely provide notices of job op-

portunities to the TOPS database. Networking contacts nationwide also can be accessed via the networking page on MOAA's career center website ([http://moaa.org/serv/serv\\_career/index.htm](http://moaa.org/serv/serv_career/index.htm)).

If you can add to the program, please contact MOAA and volunteer to be a Networker. If you are aware of job listings or other opportunities, please submit your input to the TOPS team. Contact [coord@moaatopsaz.org](mailto:coord@moaatopsaz.org) to add your input.

Kelly, a former National Guard Officer, was recalled to Active Duty last month, and Scott will fill the gap. We wish Kelly well and look forward to his return. TOPS is going strong thanks to willing leaders like Kelly Galvin and Scott Westley.

### TAPS

We regret to inform you of the passing of two of our regular members:

**Captain William "Bill" Jenkins USN (Ret)**

**WITHOUT AN ESTATE PLAN,  
YOU PUT EVERYTHING YOU'VE  
WORKED FOR AT RISK.**

Most people believe a will is all they need to protect their assets after they're gone. Unfortunately, that just isn't enough. But with a living trust from MHK, you can protect your family from risks such as:

- Probate - involving a court proceeding pertaining to the distribution of your assets, making private matters public record.
- A lack of complete control over the distribution of your assets.
- A loss of tax benefits when a trust does not include the advantages of Arizona community law. If you have a trust set up in another state or if you have not reviewed your trust in over two years it needs to be reviewed.

**Receive a complimentary one-hour consultation with one of our attorneys to create or review your current estate plan - a \$300 value!**
