President’s Message

I want to lead off by addressing the item of primary interest - April Meeting Alert. When I reviewed the schedule I saw we were meeting on Maundy (Passover) Thursday. I couldn’t attend because of church services and I was sure there were many others in the same boat. I was looking at moving it forward one week and then General Fogelman said he could speak to the Chapter if we met on 3 April. The Board and I decided to change it to that date, as this is really a special chance to hear an outstanding guest speaker. I’m sure most of you (probably all AF) remember General Fogelman from his days as Chief of Staff of the Air Force. The meeting place will be the same it’s just the date that has changed. Put it on your calendar!!!

A short resume of General Fogelman is included along with a reservation form for that night. The room can hold 90 people so we will have to give a priority to current members (03 and beyond). I suggest you send in the reservation form immediately. If we have overflow, we will use the extra room as we previously did when a TROA representative talked to us, and set-up chairs in the main room during our break.

I have continued to gather information on the theft of data from TriWest. The Chapter has two families that were effected. They have been satisfied with the action taken to date, but it is hard to tell what will happen in the future. I will continue to track this and call the list with any information I receive.

I went with Bill Johnson to change our name at the bank where the Chapter has accounts. Basically, we couldn’t do it and will probably have to change banks. In the meantime, be sure your checks are made out to AZ Chapter MOAA, as we can’t even deposit a check if it has TROA on it.

To get more involved in State Affairs I accompanied Dan Conway to the appropriations committee session on 27 Jan. We wore our blue garrison caps with the TROA patch as we don’t have a MOAA patch yet, but it did make us stand out as veterans. The room was packed with veterans and many were standing. The names of all were read off as supporting the bill for full funding. It passed unanimously. I next plan on going with Dan to the Unified Arizona Veterans (UAV) meeting held the first Saturday of March.

We were not happy with the setup, service or meal at our last general meeting. Jim Seidl met with the catering manager and she said this would not happen again and that the meal would be of better quality. We will meet with her next week and maintain coordination with her to ensure all the problems are resolved.

Membership

Our membership at the end of last year was 212, including 50 Auxiliary members. Currently the AZ Chapter has 189 members including members that have renewed, auxiliary members and the five new members for 2003. This gives a renewal rate of 89% or if stated another way - it leaves 27 members that have not renewed. If an 02 follows your name on the label of your newsletter, you are urged to fill out the enclosed renewal form and send it to Bill Johnson. If you don’t agree with the number just give me a call (480) 595-8693, so that I can check things out with Bill.

Chapter 50th Anniversary

ATTENTION ALL CHAPTER MEMBERS:

Since our Chapter’s 50th Anniversary celebration will take place in 2006, we need to start contributing now to the Anniversary Fund. In the future, whenever you have a little extra discretionary money available give it to the Treasurer for deposit in the Anniversary Account. Check the box on the form in this newsletter and send your contribution to the Chapter Treasurer, Bill Johnson.

Chet Bauers, 50th Anniversary Chairman
Spring Golf Tournament
Due to a scheduling conflict, the next AZ Chapter Golf Tournament will be held at Falcon Dunes Golf course on **May 3**, instead of May 10 as previously planned. Details and reservation forms will be in the April Sentinel. In the meantime continue to practice, get your nerve up, and reserve May 3 for a day of fun, companionship, and not very serious competition. We will be doing some modified scoring, so as it says in the book “everyone has a chance to win.” Believe it, or not!! High total strokes will still get THE HAT!

Web Spin
It just keeps getting better and better! The Arizona Chapter has taken a milestone leap into cyberspace. The Board of Directors voted to establish a more permanent presence on the worldwide web. By registering our own worldwide web domain name--

**www.azchaptermoaa.org**

we greatly expanded our visibility to on-line users. Our new website name is easier to remember, pass to friends and is now recognizable to Internet search engines.

Embracing this technology is vital in getting the message out to and attracting today's active duty personnel. I encourage all of our web-enabled members - especially Board members-to participate in the continuing evolution of our website. This is a powerful medium with global reach yet incredibly efficient, as most military members and families have ready access. The only constraint to the functionality and usefulness of this medium is our imagination and action--please look and imagine. Great ideas captured in plain text and low-resolution digital photos are all I need. Updating is fast and easy with well-organized content. If you have some thoughts, comments, or suggestions on how our web site may be improved, please contact Tom Houser at thomas.houser@ins.com, or 480-595-2041.

Chaplain’s Corner
"Most merciful Father, look with compassion upon us who have received the sacred gifts of Thy Body and Blood. Bless the lips which have praised Thee, the heart which has loved Thee, the body which has loved Thee, the body which has worshipped Thee, the soul which has adored Thee, that in the world to come they may be Thine forever. Amen”

held at the February meeting: Pete Magadan, Jim Seidl and Chet Baumer.

Legislation
State: The past month has been a busy period at the State Legislature.

It started on January 27 with a presentation to the state legislature on funding for the Department of Veteran's Services. The next day was a senate government committee hearing on S.B. 1072 relating to donations to the Southern Arizona veteran's cemetery.

On February 11, it was the senate committee on natural resources and transportation hearing on S.B. 1220 relative to owners of Honorary Military license plates being required to purchase personalized plates to have the disabled symbol on the plates. This is legislation for which I did the initial research; Tom Smith opened a file in the final days of his term of service, and which Senator Jim Waring introduced in the senate.

On February 17, it was the house committee on transportation hearing on HB 2117 relative to owners of Honorary Military license plates, which is identical to S.B. 1220. The committee also considered HB 2116 which allowed for the widow of a 100% disabled veteran to continue the exemption for license fees until remarried; HB 2118 which will make the U.S. Department of Veterans Affairs rather than Arizona Department of Veterans Services responsible for determining eligibility for Veteran's plates, and HJR 2001 designating I-40 in Arizona as the Purple Heart Trail.

In all cases, committee votes were unanimous for a "Do Pass" recommendation.

Storming the Hill: Both Chuck Schluter and I will be meeting with the Arizona Congressional delegation on March 27th in Washington, DC. We will be stressing Survivor Benefits on this visit. At the present time, I am making appointments with our Senators and Representatives.

Bob Hope Tribute: There has been good feedback on

Scholarship Fund
One person's generous gift will help strengthen America's future through supporting the education of our youth. Our thanks are offered to contributors on behalf of all future beneficiaries of the Scholarship Fund.
the proposal for MOAA to make a major contribution to the proposed Bob Hope Memorial to be built in San Diego. To recap, of the many veterans groups requested to donate to this cause, as retired officers who make up the majority of MOAA, we are as a group in a better financial situation to support such an effort, and our age level means that we are very aware of what Bob Hope did for the armed services. Quite a difference from the current group of entertainers.

So we will go ahead asking that each member or auxiliary member make a donation of $5.00 for this cause. Please mark your checks as Bob Hope Memorial and send them to your Chapter Treasurer, Bill Johnson. The checks will be deposited in the Chapter account, and then a single check will be sent to the Council Treasurer. I encourage you to support this effort prior to 20 March.

DOD Tests Space-Available Travel Privileges for Dependents within the CONUS

The Assistant Deputy Under Secretary of Defense (Transportation Policy) has approved a one-year test to evaluate the expansion of space-available privileges for dependents traveling within the Continental United States (CONUS). The test will allow dependents of active duty and retired Uniformed Services members to travel within the CONUS when accompanied by their sponsors. The test is scheduled to begin 1 April 2003 and will end 1 April 2004.

Dependents will assume the same category of travel as their sponsor. Space-available sign up for this program will be effective 1 April 2003. Retired members may sign up 60 days in advance but no earlier than 1 April 2003.

Active duty Uniformed Services members must be in a leave or pass status to register for space available travel, remain in a leave or pass status while awaiting travel, and be in a leave or pass status the entire period of travel.

For additional information concerning space-available travel and sign-up procedures review the Air Mobility Command public web site at http://amcpublic.scott.af.mil/Spacea/spacea.htm or contact the servicing DOD air terminal of interest.

New MOAA Name Tags

Many people are ordering new nametags sporting the new MOAA logo. If you would like a new Name Tag, order forms are available at each Chapter meeting. It is requested that you pay for them ($5) when ordering so if something prevents you from attending the next meeting they can be mailed to you.

Addresses

Just a reminder to please keep the membership chairman and the newsletter editor updated on your current mailing address, e-mail address, and telephone number.

Scholarship/Awards Committee

We’re getting to the good part of the awards and scholarship program. That’s the time when we pass out the medal awards to the third year students, and scholarship money to some very deserving graduating seniors. All of us who have participated in this exercise have come away with the feeling that there are some very good students enrolled in these programs, and what we offer is possibly just the incentive they need to go on to bigger and better things. If you would like to help, we will need 5 to 7 members to serve on the scholarship selection board, and up to 16 members to help with the medal awards night at the high schools. Don’t be bashful, pick-up the phone and call the Scholarship Chairman and volunteer.

Arthur Parker & Richard Horn Scholarship/Awards

Looking For A Few Good Men Or Women

Below are listed the members who have volunteered to represent our chapter at JROTC awards ceremonies this year. As you can see we are a "little" short of our goal of 16 presenters. This is a great opportunity to get out and see some wonderful young people at their best. Yes you will need to give up a couple of hours of your time to make the presentation. However, what would you use the time for if you do not help out - watching "Survivor" on TV? Let’s support these patriotic young men and women. If you can make a presentation let Arthur Parker (602) 997-7913 know you are available and for which school.

Nautical Trivia

Manning the Rails. This custom evolved from the centuries old practice of “manning the yards.” Men aboard sailing ships stood evenly spaced on all the yards and gave three cheers to honor a distinguished person. Now men and women are stationed along the rails of a ship when honors are rendered to the President, the heads of a foreign state, or a member of a reigning royal family. Men and women so stationed do not salute. Navy ships will often man the rails when entering a port, or when returning to the ship’s homeport at the end of a deployment.

Gun Salutes. In the days of cannon, it took as long as twenty minutes to load and fire a gun. When a ship fired her guns in salute, she rendered herself powerless for the duration. By emptying their guns, the ship’s crew showed shore batteries and forts that they were no threat. Over time, this gesture became a show of respect, with both shore and ship gun batteries firing volleys.

While many people like to say the 21 gun salute was a tribute to the American Revolution, a number determined as a result of adding together the numbers 1+7+7+6, the truth is the 21 gun salute was an effort to cut costs. The habit of firing salutes became wasteful, with ships and shore batteries firing shots for hours on end. This was particularly expensive for ships, which had a limited space to store powder (which went bad quickly in the salt air). The British admiralty first dictated the policies now in place as a practical matter to save gunpowder. The rule was simple, for every volley fired by a ship in salute, a shore battery could return up to three shots. The regulations limited ships to a total of seven shots in salute, so the 21 gun-salute became the salute used to honor the only the most important dignitaries.

Today, the U.S. Navy Regulations prescribe that only those ships and stations designated by the Secretary of the Navy may fire gun salutes. A national salute of 21 guns is fired on:
- Washington’s Birthday
- Memorial Day
- Independence Day
- To honor the President of the United States
- To honor heads of foreign states.
- Additionally, ships may, with approval from the office of the Secretary of the Navy, provide gun salutes for naval officers on significant occasions, using the following protocol:
  - Admiral-17 guns
  - Vice Admiral-15 guns
  - Rear Admiral (upper half)-13 guns
  - Rear Admiral (lower half)-11 guns
  - All gun salutes are fired at five-second intervals. Gun salutes will always total an odd number.

Tell Your Legislators About TRICARE Problems

The February issue of MOAA’s Military Officer magazine has a centerfold with three tear-out letters for members to send to the Secretary of Defense and the Chairman of the House and Senate Armed Services Committees. The letters urge actions that will make TRICARE more attractive to providers and require DOD’s health care contractors to help TRICARE Standard beneficiaries find participating providers. You are urged to send this message to senior officials in positions to help address these important problems.

April Guest Speaker

General Ronald R. Fogleman USAF (Ret)

General Fogleman retired from the USAF on 1 Sep 1997 after thirty-four years of active commissioned service. On his final tour of duty General Fogleman served as the 15th Chief of Staff of the U.S. Air Force and a member of the Joint Chiefs of Staff. From ‘92 until ‘94 he was Commander in Chief of the U.S. Transportation Command (CINCTRANS).

General Fogleman has an extensive background in fighter and mobility aircraft having flown over 6800 total hours. His fighter experience included operational tours in the F-100, F-4, F-15, and A-10. He served two tours in Southeast Asia during the Vietnam War flying 315 combat sorties and logging 806 hours of combat time. His airlift and tanker experience includes the C-5, C-21, C-130, C-141, KC-10 and KC-135.

General Fogleman is currently Chairman and CEO, Durango Aerospace Incorporated, an international consulting firm. Additionally, he serves on the board of directors of many companies. Included on this impressive list is Mesa Air Group in the Valley.
