OCTOBER 2004 CHARTERED IN 1956 - OVER 48 YEARS OF SERVICE TO COUNTRY EDITOR: Terry Tassin

President's Message

Thanks to Ron Green for leading the group through the September luncheon general membership meeting in my absence. Marie and I had to be out of town for a function at our old high school in Kansas. We enjoyed our trip, but also understand that we missed a very entertaining speaker. By all reports Captain (Ret) Tom Mont, the guest speaker, must have been one of the most humorous and enjoyable that we have had in some time. Thanks also to Dan Conway who presented our proposed bylaws changes and to the members present whose vote resulted in their acceptance.

The new bylaws provide for a slightly different and more flexible Chapter Board of Directors (BOD) composition than we have had in the past. The new structure, also aligned with MOAA National guidelines, provides for a Chapter president, a first and a second vice president, a secretary, a treasurer, an immediate past-president, and five directors. Candidates for these new BOD positions for the 2005 calendar year will be introduced and an election will be held at the November general membership meeting. Whereas nominations will also be accepted from the floor at the meeting, a committee chaired by Chuck Schluter has been appointed to identify a potential slate of candidates for these offices. Contrary to what some of you may think, participation on the BOD is actually a lot of fun and offers the opportunity to interact regularly with some really exceptional people. If you are at all interested in participating, please give Chuck a call. Otherwise I'm sure that some of you can expect a call from him.

Once every four years National hosts a Western Region "Chapter President's Symposium". The event will be held at South Lake Tahoe, Nevada, on Sept 30 - Oct 2. I will attend, representing the Chapter, as will Bernie Conway, the new Chapter Personal Affairs Officer. Dan Conway and Chuck Schluter will also attend, representing the State Council of Chapters. We hope to be able to gain some new ideas through the extensive number of seminars scheduled for the symposium.

In other Chapter business, I would like to recognize and thank Paul Alix for his effort in conducting a Chapter internal financial audit. Whereas no surprises were uncovered, it was a task that was long overdue from an administrative perspective.

Other MOAA chapters have had success in offering a "theme" general membership meeting during the year. Your recent chapter survey responses also indicated an interest in having some amount of entertainment in addition to speakers at our general membership meetings. Therefore, our next general membership meeting on Thursday, October 21, at the Sunshine Hotel will be an Oktoberfest theme. We have arranged for the 10-piece Arizona Button Accordion Band to play for your listening and dancing pleasure. There will be an authentic Bavarian menu. Dress will be casual or "Bavarian" if you choose. Please plan on attending and bring some friends. This would be an excellent opportunity for potential new Chapter members to get acquainted or for current chapter members who haven't attended meetings for a while to get reacquainted. I look forward to seeing you there.

— Gary Fredricks

Membership Renewal Delay

by Ron Green

The Membership Renewal Campaign is being delayed till the November timeframe as I forgot to bring some points up at the September Board of Directors meeting that must be discussed before I start the campaign. It is planned that a renewal program will be included in the November Sentinel. Remember, dues need to be renewed by 31 December.

Fall Golf Tournament

by Bernie Conway

The MOAA Fall golf tournament will be held on Saturday, Oct. 31st at Rolling Hills Golf Course. For any newcomers, this course is a Par 62 located at 1415 N. Mill Avenue in Tempe AZ. There are a few hills and valleys at this course so we will be using carts. Cart fee, green fees, and prize money are included in the entry fee of \$30.00.

First Tee Time is 8:00 a.m., so we ask everyone show up by 7:30 a.m. A driving range is available, as is a good restaurant with breakfast specials every day.

We will follow the same format as the spring tournament, with a special effort to wrest away the coveted championship trophy from Roy Anderson.

Calloway scoring will be utilized, so it says in the fine print that anyone could be the winner. Unlimited Mulligans are for sale. Cash prizes will also be awarded for longest drive, closest to the pin, and longest putt made.

Awards will be made immediately after the scores are compiled by our crack Calloway scoring team. Good cheeseburgers and cold beer are available in the restaurant while we await the results.

Reservations and fees are due to me not later than Oct 25th. Send them now

Military Homeowners. One of MOAA's most significant legislative victories in 2003 was the Military Family Tax Relief Act, signed by President George W. Bush Nov. 11, 2003. Among other things, the new law restored capital gains tax equity for military homeowners. Specifically, it exempted up to 10 years spent away from home on military orders from counting against the requirement to have lived in a primary residence for at least two of the five years preceding sale of the home. This victory ended six years of frustration.

A key feature of last year's law made the exemption provision retroactive for home sales after May 6, 1997 - the date of the law removing the old exemption. This special rule allows those previously disadvantaged military homeowners to file amended federal tax returns for one year after the date the new change became law, meaning the deadline is Nov. 10, 2004. Find out more by going to www.irs.gov/individuals/index.html and clicking on "Tax Information for Members of the U.S Armed Forces."

Remarried Survivors. The Veterans Benefits Act of 2003 included a provision that restores Dependency and Indemnity Compensation (DIC) for surviving spouses of members who die of service-connected causes, and who remarry after age 57. Bush signed the bill Dec. 16, 2003. Qualifying spouses who remarried after age 57, but before enactment of the bill, can have their DIC benefit restored, but only if they apply for reinstatement within one year after enactment - by Dec. 15, 2004.

Eligible spouses can apply by submitting a written request for restoration of DIC along with a statement of dependence (VA form 21-686c). The form is available online at www.vba.va.gov/pubs/forms/21-686c.pdf. Applications should be mailed to the nearest regional VA office. To find the nearest regional office, go to www.va.gov and click on "Facility Locator." The one-

year application period limit does not apply to eligible surviving spouses age 57 and older who remarry after Dec. 16, 2003.

- name of the drug;
- strength;
- quantity;
- cost paid by your OHI;
- amount you paid;
- prescription number and date of fill;
- prescriber's name or DEA number;
- pharmacy's name;
- pharmacist's signature if the claim is not printed on an "acceptable format" (pharmacy stamp, letterhead, etcetera); and
- the beneficiary's name imprinted on the receipt.

(The days supplied (e.g., 30, 90 days) is not explicitly required. However, if it can't be determined based on the information

MOAA Benefits Info Update September 2004

Item 1..TRICARE Transition Tips

Some beneficiaries may experience transition challenges such as long wait times when calling their new regional contractors. Some tips for accessing TRICARE information include conducting business online when ever possible, calling during non-peak hours and visiting TRICARE Service Centers for face-to-face assistance.

TRICARE Region Contractor web sites & telephone numbers:

- TRICARE North -
www.healthnetfederalservices.com
1-877-TRICARE (1-877-874-2273)
- TRICARE South - www.humana-military.com 1-800-444-5445
- TRICARE West - www.triwest.com
1-888-TRIWEST (1-888-874-9378)

Beneficiaries can enroll/change enrollment information online, search for providers in their local area, find health plan information, and links to claims and online appointments. Beneficiaries are welcome to call, recognizing that they might experience longer wait times due to high call volume during transition. Consider calling on Thursday/Friday, the days with the least calls which makes them the best for gaining quick access to information. Typically, Mondays have the largest volume of calls.

For additional TRICARE information visit the TRICARE web site at www.tricare.osd.mil or the TRICARE Online web site at www.tricareonline.com

Item 2..Medicare Part B Special Enrollment Mailings - Certain Uniformed Services Beneficiaries Entitled To Medicare To Receive Important Mailings

The Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA) has a provision that directly impacts certain Medicare-TRICARE dual-eligible beneficiaries. It eliminates the Medicare Part B surcharge for uniformed services beneficiaries who were subject to a higher premium (currently paying more than \$66.60 a month) for enrolling in Part B during the years 2001 to 2004. Under the MMA, Medicare Part B premiums will be reduced for these beneficiaries to the regular monthly premium rate and beneficiaries will be reimbursed for any surcharges paid in 2004. These refunds will be provided in Social Security retirement checks. In mid-September, the Social Security Administration (SSA) will send a statement that clearly explains these changes.

The legislation also provides the opportunity for uniformed services

beneficiaries who are entitled to Medicare Part A but are not enrolled in Medicare Part B to enroll in Part B without a premium surcharge. These beneficiaries will be offered the opportunity to enroll in Part B during a Special Enrollment Period.

SSA Special Enrollment Period Notice

The SSA will mail a Special Enrollment Period notice in mid-September 2004 to uniformed services beneficiaries who are entitled to Medicare Part A but are not enrolled in Medicare Part B. The notice will explain that the SSA enrolled the beneficiary in Part B effective Sept. 1, 2004. The Part B monthly premium (\$66.60) will automatically be deducted from Social Security retirement checks starting Sept. 1, or if beneficiaries do not receive a Social Security check, they will be billed the appropriate amount. The SSA notice includes a form that gives beneficiaries the option to change their Medicare Part B effective date or decline enrollment. Anyone who refuses Part B will be ineligible for TRICARE benefits.

Beneficiaries will have 60 days after the date of the notice to complete and return the form if they choose to change the effective date or decline Part B enrollment. If beneficiaries notify SSA that they are selecting an earlier month in 2004 as the start date for their Part B enrollment and would find it hard to pay the past months' premium amount in a lump sum, they should take the completed form and the SSA letter to a local Social Security office (if they live in the United States, Canada or Mexico) or United States Foreign Service Post for processing and ask about alternative payment options.

Department of Defense (DoD) Letter

Affected beneficiaries will also receive a letter from the Department of Defense (DoD) regarding these changes in the law. The DoD letter will give beneficiaries a heads-up that they will soon be receiving a Special Enrollment Period notice from the SSA. Dual-eligible active duty family members are not required to purchase Medicare Part B until their active duty sponsor retires.

DEERS Registration

Uniformed services beneficiaries also must be registered in the Defense Enrollment Eligibility Reporting System (DEERS) to remain eligible for TRICARE benefits. Beneficiaries may update their information in DEERS by visiting an identification card issuing facility or by contacting the Defense Manpower Data Center Support Office (DSO) Telephone Center at (800) 538-9552.

General Information

For general information about TRICARE benefits, beneficiaries may call Wisconsin Physicians Service (WPS) TRICARE For Life at 1-866-773-0404 or visit the TRICARE Web site at www.tricare.osd.mil. Additional information regarding the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (P.L. 108-173) is available at www.socialsecurity.gov/legislation/tricare.html. If beneficiaries have questions about enrolling in Medicare Part B, they may call SSA toll free, at **1-800-772-1213** or visit any Social Security office.
