Isis Gauzens

***American Warrior Initiative: PAWS with Purpose
Team Doyle at Fairway Home Mortgage***

Isis Gauzens is a committed Reverse Mortgage Advocate with Team Doyle, using mortgage planning to guide clients—from first-time buyers to those preparing to age in place—toward confident, informed homeownership.

Her dedication to serving seniors and veterans earned her a position on the Board of Directors for the Southwest Veteran Chamber of Commerce, where she continues to champion meaningful change.

At Fairway Independent Mortgage Corporation, Mortgages are what we do, not who we are ... helping people is at the heart of what we do. A major focus is supporting the military community through the **American Warrior Initiative**, which has funded over **390 service dogs** for veterans and first responders and continues to provide grants for their care. Fairway also equips real estate professionals to better serve military families through the **American Warrior Real Estate Professional** designation.

Isis draws strength from her roles as a Space Force JROTC mom, Navy sister, Army daughter, and Navy granddaughter, using her personal story to inspire others to give back. This summer, her team aims to raise **\$25,000** to fund **three service dogs** —a mission grounded in compassion and service.
